

CLEAN & CLEAR[®] PLUS CARTRIDGE FILTER

CRYSTAL CLEAR WATER THE EASY WAY

Clean & Clear[®] Plus cartridge filter combines top-end filter performance with low maintenance. This dependable design uses special filter elements to strip tiny particles from your pool water... particles as small as 10 microns.

PENTAIRPOOL.COM.AU

KEY FEATURES

- Clamp ring for safe and quick access to cartridges
- Quad cartridge design gives massive surface area for low resistance flow, huge debris loading capacity and longer times between cleaning
- 50mm (2") plumbing for maximum flow and faster water cleaning
- Quick 1/4 turn air release and hose barb for easy and clean air purging.
- Solid molded fiberglass reinforced polypropylene tank for strength and corrosion resistance
- Easy access 40mm (1.5") drain makes cleaning and draining fast and simple
- Ten year pro-rata limited warranty

FOUR CARTRIDGES IN A COMPACT DESIGN

Clean & Clear Plus filters contain four polyester cartridges that hold enormous amounts of dirt, yet are easier to clean. The fiberglass-reinforced tank halves are secured with an innovative clamp ring — just loosen the ring and remove the top half for easy cartridge

access and rinsing. Filter maintenance doesn't get any easier. Continuous internal air bleed helps prevent air build-up to keep the filter operating at peak performance. Single-piece base and body for strength, stability and years of dependable service.

Model Number	Description	Filter Area (sq.ft/m ²)	Vertical* Clearance	Filter Diameter	Max Flow Rate (LPM)	Turnover Capacity 8 hrs (Litres)
